

Radiologic Science 2 Lab Portfolio

A portfolio is a purposeful collection of selective significant samples of student work accompanied by clear criteria for performance which evidence student effort, progress or achievement.

The display vehicle for your portfolio must be a simple three ring binder.

Radiologic Science 2 Lab Portfolio should include:

1. Cover page that includes your name, course information, and the date.
2. Reflective statement
3. Table of Contents
4. All lab reports performed by the student (revised after corrections)
